A Bright Future Ahead

The High Holidays are the most poignant reminder of our people's 3,000-year-old annual campaign to love, cherish, and protect humanity's common bond. It is on the High

Holidays that we recommit ourselves to never give up on the world and its inhabitants, and, most importantly, to never give up on ourselves. We reaffirm that, in spite of any darkness we have had to endure this year, a brighter future lies ahead for all of us.

On Rosh Hashanah, the first day of the month, we hear the shofar's call for change, reminding us that the world is never immutable, no matter how fixed society or own lives might seem. Ten days later, on Yom Kippur, we embody that essential truth by punctuating the 25-hour fast with our individual and communal commitments to live with integrity. Three whole days later, we dwell in a Sukkah of peace, a tent that is truly big enough for everyone.

These Days of Awe encourage us to reflect on our collective and individual choices, assess our missteps, integrate forthright changes, and reaffirm our capacity as a species to build a world of humility, sacredness, kindness, and shared fortitude. Each of us has the capacity to grow, if not in body, then surely in soul. We renew our world one person at a time – starting with you.

The Jewish year of 5781 which will soon draw to a close, has unmasked just how disparate the human experience is for people of different ages, locations, socioeconomic status, community, skin color, and more. For some of us it has also unveiled unprecedented

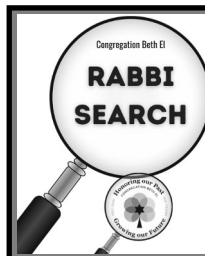

feelings of personal stress and grief and loss. And yet, COVID-19 has also shown us that there is a common link between all of us. Gathering as one, we are reminded that we truly are all in this together. This past year has helped us to unmask our own Gd-given human potential, as a congregation, and as individual Jews. Tested, many of us have found out just how resilient we really can be and how important synagogue is as a source of strength and support.

At the time of this writing, I cannot tell you exactly what High Holiday services will look like for you, for us. We are still trying to figure out in June what will be best in September. But of this I can assure you: We can and will have a most meaningful and reinvigorating High Holiday season, whether you come to the building or participate from home. How do I know our New Year services will be transformative and holy? Because that is what WE ALL want, and together we will make it so.

This new Jewish year will dawn at a time of great complexity. But Tishrei is a moment to set a new standard and redefine our commitment to growth at every stage of our lives. These High Holidays teach us not to ignore the realities of life, but to remain vigilant in reimagining what is possible, for ourselves, for our community, and for our world.

With Best Wishes for a Shanah Tovah for All Our Beth El Family,

Rabbi

Beth El 100 Memories from Marcy Sanders

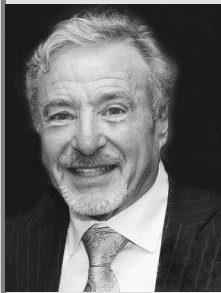

My family joined Beth El in 1948 when I started Hebrew School and I've been a member ever since. We used to have the best times at the dances held at the Synagogue. Going to the Beth El Ball as a kind of debutante was a big deal & then there was Confirmation. The Cherry Hill building was where my children's b'nai mitzvah were held. On high holidays, I sat there with 4 generations of my family. My favorite holiday there is Yom Kippur. It is so beautiful & moving. For the future, I wish for Beth El to stay as vibrant and important to the Jewish community. It's been a part of my life for 72 years. Hard to believe!

Mazel Tov to the new Sisterhood board members!

Sisterhood celebrated 100 years and installed the new board at a fun in person celebration on June 21.

PRESIDENT'S MESSAGE

Stuart Sauer
President

Since becoming President of Congregation Beth El, I have had the honor to share many wonderful simchas with our members and their guests. I am proud to represent our Shul. Engaging with families and seeing the joy and happiness on everyone's face is priceless. Whether the occasion is in our Katz Sanctuary, in the tent, out on the lawn, in-person, or on Zoom, "We Belong Together".

As Covid restrictions relax, we are welcoming the return to our building. If there is a silver lining to Covid, it is that we will continue to offer live streaming for services and educational sessions. Come join us for Friday night services or Shabbos morning and stay for a little nosh. Bring your children to Junior Congregation. Casual Shabbos is back during the summer. Join us for our daily minyan. All are welcome, in person or on Zoom.

Our Early Childhood Center camp is in full swing. Our students of all ages are looking forward to coming back to Religious School and Hebrew High to be reunited with teachers and friends in September. Habonim, Sisterhood, Men's Club, Young Families Group, Youth Commission, Kavod, Achim Sheli, and other groups are all planning exciting programs for the new year. And speaking about the new year, Yom Tov is just a few short weeks away. Gd willing, families will gather again, to sit and have a festive dinner together and celebrate Rosh Hashanah.

הנה מה טוב ומה נעים שבת אחים גם יחד
"Hey! Look how good and really pleasing it is
for people to sit together."
(Psalms 133:1)

Congregation Beth El is our spiritual home. It is where we share our lives with family and friends, and we become one family. There are so many ways you can become active in our Shul. Volunteer on a committee, take a class, learn how to chant Torah or Haftarah, support Israel, or learn how to create a kosher home. If you see a program that you like, join it. If you want to create a new group or have an idea for a wonderful new program, let us know. We offer something for everyone, choose to get involved.

Stay safe, healthy, and Zei Gezunt, Be Well!

EXECUTIVE DIRECTOR'S MESSAGE

Josh Laster
Executive Director

There has been a meeting of the Health & Safety Task Force just about every week for the past 14 months. This group has guided Beth El through the changing landscape of federal, state and local guidance and regulations. They know that they will never please everyone 100% with the recommendations to the Board of Trustees, but you can rest assured that every decision was made with the health and safety of our community in mind. The decisions of this task force have served us well throughout the pandemic.

The Board of Trustees voted at the June meeting on the new recommendations of the Health & Safety Task Force.

As of July 3, the following changes are in effect:

- Our attendance limit has been lifted.
- Health questionnaire and temperature checks are not required.
- Sign-ups are still requested, but not required. We will still be signing in attendees.
- Fully vaccinated individuals have the option to remove their face masks in the building when attending services after showing proof of vaccination to the staff member at sign-in.
- As per the CDC: People are considered fully vaccinated for COVID-19 ≥ 2 weeks after they have received the second dose in a 2-dose series or ≥ 2 weeks after they have received a single -dose vaccine.
- Unvaccinated individuals are required to wear their face masks for the entire time they are in the building.
- We will have sections designated in the Sanctuary as mask and social distancing required sections. Anyone is welcome to sit in these sections. Unvaccinated individuals will be required to sit in this section.
- Families with unvaccinated children may sit together in the sections reserved for fully vaccinated groups/individuals, but the unvaccinated children must keep their masks on the entire time they are in the building.
- It is recommended that groups/individuals leave 2-4 seats in between them and the next group/individuals in the fully vaccinated sections. There is not a need to leave any rows unseated in these sections.

I am excited to share that we have plans to bring back our Saturday Kiddish to Beth El on Saturday, July 3. It will look and feel slightly different than our past Kiddishes, but rest assured there will be good food to eat as our community sits together and enjoys a nice meal on Shabbat.

As we have shared in the past, if you are experiencing any COVID-19 symptoms such as a fever, cough, loss of taste and/or smell or shortness of breath, or are simply not feeling well, please stay home and join our programming virtually. We will continue to bring Beth El to all until all can join us at Beth El (and maybe even after that)!

Rabbi Nogah Marshall
Educational Director

REVIVAL

In Judaism we are consistently retelling the Jewish people's stories of survival. However, if you dig deeper into our history, the Jewish people did much more than survive, they revived by re-imagining their faith and identity. After the destruction of the First Temple, Jerusalem was revived by a group that returned to Zion from the Babylonian Exile, and, after the destruction of the Second Temple, Judaism was revived once again by the creation of Jewish worship. At Congregation Beth El, we are always looking to revive our programs and look into the future of our community.

Our Religious School and Hebrew High School are experiencing a revival as we introduce this year a variety of exciting programs.

Chugim: All students will participate in chugim (clubs) on Sunday mornings. Each grade will rotate every week to a different activity related to Jewish themes. Chugim will include activities such as: Israeli/Jewish music, Israeli Dance, Jewish Cooking, Jewish Art, and many more.

Sichot: Students in grades 4-6 will be participating once a month in Sichot (Conversations), group discussions, all related to the theme of the year in an informal setting. In these discussions students will have the chance to study important Judaic topics and have the opportunity to learn from each other.

Ruach: On Wednesday afternoons we will be introducing a new program called RUACH-Beth El's Spirituality Academy. Students in grades 4-6 will begin the afternoon working on Hebrew reading, language, and Judaica. Second period the students will choose an Academy to participate in and will focus on the theme of the year through their major.

The Academies include:

Beth El Art Academy—Judaism and the arts;
Beth El Torah Academy—text study, debate and writing;
Beth El Technology Academy—STEAM and Judaism.

Hebrew High School: Together with TBS we are introducing a new Hebrew High Program called KESHER. This program will take place on Tuesday Evenings for 7th-10th graders. One semester will meet at TBS and one semester will meet at Beth El. The program will include exciting class offerings, Teen Summits, Holiday celebrations, Chesed (social action) and Social programs. In addition to the Tuesday evening session, the 7th grade B'nai Mitzvah Seminar with Rabbi Krupnick and Confirmation Seminar with Chai Respes and Rabbi Krupnick will take place on Thursday evenings.

I am so excited to continue on this journey of revival. I hope you are having a wonderful summer. I look forward to seeing everyone in September!

Ayelet Mittelman
ECC Principal

What a year it has been!! We have all experienced the highs and lows of this pandemic year. The highs have been spending more time with family over the summer, seeing our friends for the first time when the school year began, and being able to stay in session successfully. As the year went on, and we were able to lift some more restrictions, we welcomed new families and friends to our school. Finally, most recently, we were able to be TOGETHER for Shabbat and to have our moving up ceremonies and graduations in person. The lows have thankfully been far and few between!

This year has taught us how unbelievably resilient our students are, as well as how creative and irreplaceable our teachers are! The way our students and teachers adapted to everything this year, is nothing short of HEROIC!

Our amazing Kindergarten classes were able to celebrate and show off their year of learning in the sanctuary in front of their families and loved ones. It was a phenomenal experience after a year of having to keep our families at arms-length; to have them join us in our beautiful sanctuary to witness all that their kiddos have learned.

With our graduations ending our school year on such an incredibly high note, we go into the summer excited about our Camp Kaitana, and about the year to come! My earnest hope is that next year we will be able to get closer to how things were in the past. I miss seeing our parents in the hallways. I miss parents joining us for Shabbat. I miss the clergy hug line. I miss pizza Fridays!!

We end this year having come through all of our highs and lows TOGETHER. We celebrated our highs and worked through our lows TOGETHER. We have learned so much TOGETHER. We are all in this TOGETHER!! There is no other community of families, teachers, staff, and clergy that I would rather have gone through all of this with. Beth El is our home, and I am so proud of all that we have accomplished this year!!

Yasher Koach to all of our Kindergarten graduates and their families!!

**Help Our Congregation
Power Forward in 2020**

As many of our congregants are aware, Beth El proudly made the choice to reduce our monthly electric bills and produce Green Energy by converting to Solar. This choice is enabling us to allocate more operating funds towards our congregation.

Our solar partner **GeoscapeSolar** is offering our community the opportunity to convert to solar energy at a reduced rate, save on their own energy bills, and financially contribute to Congregation Beth El.

HOW DOES IT WORK?

Geoscape Solar will make a donation to Congregation Beth El in honor of every community member who goes solar or refers a property owner who goes solar with Geoscape. There is NO maximum donation amount.

<p>\$1,000</p> <p>DONATION PER RESIDENTIAL SOLAR PROJECT</p>
<p>\$2,500 **</p> <p>(5 Cents Per Watt)</p> <p>DONATION PER COMMERCIAL OR NON-PROFIT SOLAR PROJECT</p>

LOOKING BACK AT...

RECENT BETH EL IN-PERSON EVENTS

Members of Kavod, our group for LGBTQ adults and allies, met in person for the first time for a casual Lag B'Omer bonfire.

BERS students enjoyed mini golf, relay races, sports, arts & crafts, and ice cream at JCC Camps at Medford for Lag B'Omer.

Our Kadima youth group for 4-7 graders had two in-person events this spring including a minute-to-win-it game day and a mini golf outing at Pleasant Valley. Save the Date: Sukkot party September 26

The Goodbye Drive-By and BERS End-of-Year Carnival was a huge hit filled with carnival games, balloon art, Mr. Softee truck, music with Joel Respes, and a chance to say goodbye to Rabbi Green and family.

This year's Senior Sendoff for graduating high school seniors was extra special to be able to celebrate together in person!
