CLERGY CORNER

Hazzan Alisa Pomerantz-Boro

Shana Tovah! As always, I am grateful for our shul, which continues to be a place of peace and joy and helps those who enter its embrace feel present and connected. It was my hope that our new Rabbinic Intern

would feel those same things! As soon as I learned it was Andy Weissfeld who would be joining our Beth El Family this year, I started hearing all about him and our many connections!

First of all, Andy was on Nativ (USY's Leadership Training Program in Israel) with both my niece, Rachel, and my nephew, Yoni! As you may already know, I met my husband Stephen on Nativ and highly recommend it. Many Beth El students have participated on this amazing year course and I would be happy to discuss it with any High School students who are considering a "gap year" in Israel prior to entering college while earning credits. After Nativ, Andy earned a degree in Jewish Studies and Sociology at the University of Maryland. While there, he and my niece worked together on Hillel's Ometz board (the conservative, traditional, egalitarian group at UMD) and became close friends!

Andy has spent the last six summers as a Rosh Edah (Unit Head) at Camp Ramah in New England. My daughter, Rebecca, loves being at camp with him, learning and davening together. She told me that we will LOVE having him here and she is a great judge of character!

Currently, Andy is in his fourth year of Rabbinical School at JTS (where Rabbi Krupnick, Dr. Helene

Herman Krupnick, and I all received our graduate degrees). He is also pursuing his Master of Education. In his free time, he enjoys rooting for the Pittsburgh Pirates and Steelers (NO comment), following the NBA, and going on runs or bike rides. He also enjoys baking breads and pizzas.

Andy will be with us for the High Holidays and, after that, we will see him on two Shabbatot a month. He will have the good fortune to be mentored by Rabbi Krupnick as he works with members of all ages, particularly our children and young families. We look forward to learning, growing, and connecting together this coming year!

INTRODUCING RABBINIC INTERN ANDY WEISSFELD

Shalom Beth El Community! My name is Andy Weissfeld, and I am excited to serve as a Rabbinic Intern in your *kehillah* this coming year. I grew up in Pittsburgh, Pennsylvania, where I have fond memories as a participant in my USY chapter and camper at Ramah Canada. I am entering my fourth year of Rabbinical school at the Jewish Theological Seminary and went to University of Maryland for undergrad (Go Terps!). In addition to my summers as Rosh Edah (Unit Head) at Camp Ramah in New England, I taught religious school and served as a youth advisor at Ohr Kodesh Congregation in Chevy Chase during my college years and beyond. I look forward to learning and growing with you!

We wanted to provide an update on where things stand related to the Rabbi Search. Thanks to your help, we have made a lot of progress. Here is an excerpt from our community email on July 28, 2021.

"We had great congregation wide participation in our survey and focus groups. This has given us valuable information as to the characteristics our synagogue desires in the next Senior Rabbi.

Some highlights:

- We pride ourselves in being a synagogue that is inclusive to all, and it is important the new Senior Rabbi continue this inclusivity.

- While the new Senior Rabbi needs to connect with all families, engaging with younger families and inspiring students emerged as consistent themes.
- We want a Senior Rabbi who is a strong supporter of Israel.

We are using this information to help complete the United Synagogue of Conservative Judaism (USCJ) questionnaire. This questionnaire is now the focus of the Rabbi Search Committee. The intent is to complete it by mid-August and submit it. This will let all potentially interested rabbis know about the opening. "

PRESIDENT'S MESSAGE

Stuart A. Sauer
President

I started my journey at Congregation Beth El in 1964 as a first grader in Mrs. Yetta Herman's class in Parkside, Camden. Over the years, I have seen all sorts of

challenges, triumphs, and transitions in our synagogue, but nothing like what we have experienced over the last 16 months. What keeps us together, is our faith, tradition, learning, community, and love, that has sustained our congregation for over 100 years. From one generation to another generation, L'dor V'dor, being there for each other in good times and bad times. That is what our Congregation Beth El family is all about, staying together and being strong and supportive of each other.

We have been physically apart from each other, but we have stayed together via our virtual connections during these unprecedented times. Now it is time to come back to our magnificent synagogue and to put our arms around each other and know that we are persevering through the pandemic. To stand together, to sing together and to pray together as we gather to celebrate the new year 5782.

Approaching the new year, it is time to renew your membership at Congregation Beth El. Your continued financial support provides the necessary funding to deliver the high-quality standards of religious services, education for all ages, social activities, social justice, and support for Israel. Dues partially cover the overhead expenses to maintain our beautiful campus and salaries of clergy and staff. Your support of our major fundraising events and engaging programs throughout the year is critical to our budget needs. Your membership is vital for sustaining Congregation Beth El and its future.

Shanah Tovah to our entire Congregation Beth El family. To our awesome clergy, staff, and volunteers, "thank you" for all you do for our synagogue. May this coming year be a year of being together again, a year of good health, happiness, prosperity, and peace.

Zeir Gezunt!

EXECUTIVE DIRECTOR'S MESSAGE

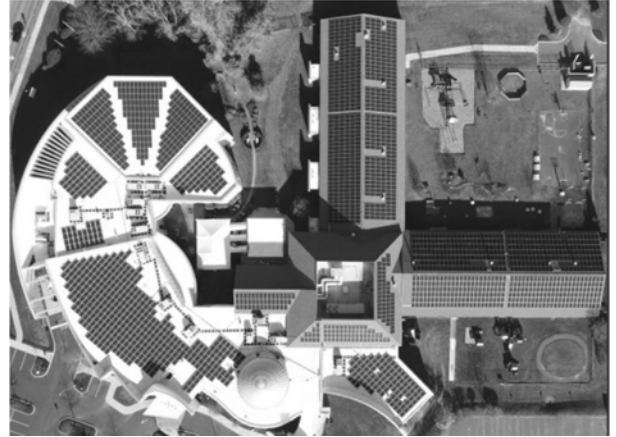

Josh Laster
Executive Director

As we get ready to welcome everyone back for in-person worship for the High Holidays, I wanted to remind you about an exciting thing that occurred back in December, but that many of you may have yet to notice...Beth El has gone SOLAR!

With the help of our partner, Geoscape Solar, we have been able to offset nearly 100% of our electric use. Since the end of December, our system has yielded over 600 MWh of power. The sunny days of summer have been very good to us!

The decision to go solar took quite a bit of time as we met with several different companies. In the end, Geoscape was able to offer us the best program where Beth El would not only help the

environment, but we would also increase our revenue AND save on our monthly electric bills. It was a complete win for us, and could be a win for you with your home, your business or both!

Geoscape is offering our community a reduced rate on your solar project and at the same time make a donation to Beth El for each project. If you are considering solar, or you would like to consider solar, it is most certainly worth contacting them.

Call 1-877-436-7861 and let them know you are calling as a member or supporter of Beth El!

Help Our Congregation Power Forward in 2021

Our solar partner **GeoscapeSolar** is offering our community the opportunity to convert to solar energy at a reduced rate, save on their own energy bills, and grow our **Beth El Financial Support Fund**.

HOW DOES IT WORK?

Geoscape Solar will make a donation to Congregation Beth El's Financial Support Fund in honor of every community member who goes solar or refers a property owner who goes solar with Geoscape. There is NO maximum donation amount.

<p>\$1,000 DONATION PER RESIDENTIAL SOLAR PROJECT</p> <p>\$2,500 ♦ (5 Cents Per Watt) DONATION PER COMMERCIAL OR NON-PROFIT SOLAR PROJECT</p>

BETH EL EDUCATION

Rabbi Nogah Marshall Educational Director

WELCOME HOME!

Shana Tova U'metukah! Happy New Year and welcome home! In just a matter of days we will be reciting the prayer of *Hayom* (Today) during Rosh Hashanah. For days following Rosh Hashanah this prayer usually plays over and over in my head. I will find myself walking around the house humming this catchy song for days after the holiday is over. What is it about this song that allows me to keep singing it? For me it is the word of *Hayom* -Today. In this prayer we ask God to strengthen us, bless us, and sustain us today! Today is fresh and full of potential, and when tomorrow comes, it too will be called today.

As we enter into a new Jewish year and a new school year, I encourage you to join with me to embrace the day. Although we have been together virtually, there is nothing like being physically together in our sacred building of Beth El. Let us recognize this special place we are in and the special people that we surround ourselves with. Let us make it the year we say Hayom, today. There are so many new and exciting programs taking place in our schools and in our KaHaL program for you and your children to take part in TODAY.

Religious School, Keshet Hebrew High School classes, and Junior Congregation will take place in person. If you have not yet registered your children for Religious School or Keshet Hebrew High School, registration is still open.

We also have a whole year of adult education programs planned and we hope you will take the opportunity to participate in them. Our first program will take place on Sunday, September 19, at 10:00am for the first of the Holiday University Series with the clergy. This interactive workshop with Hazzan Pomerantz-Boro focuses on how to bring the festival of Sukkot and Simchat Torah into your lives. On Sunday, September 26, we invite everyone to join us for a synagogue-wide Sukkot celebration with activities for all ages. Our Live and Learn series begins on October 26 and, back by popular demand, Yaffa Fuch's Hebrew class begins on November 9.

I am so excited to welcome you all back home. On behalf of my husband Scott and our children we wish everyone a *Shanah Tova U'metukah*.

**Help Our Congregation
Power Forward in 2020**

As many of our congregants are aware, Beth El proudly made the choice to reduce our monthly electric bills and produce Green Energy by converting to Solar. This choice is enabling us to allocate more operating funds towards our congregation.

Our solar partner **GeoscapeSolar** is offering our community the opportunity to convert to solar energy at a reduced rate, save on their own energy bills, and financially contribute to Congregation Beth El.

HOW DOES IT WORK?

Geoscape Solar will make a donation to Congregation Beth El in honor of every community member who goes solar or refers a property owner who goes solar with Geoscape. There is NO maximum donation amount.

<p>\$1,000</p> <p>DONATION PER RESIDENTIAL SOLAR PROJECT</p>
<p>\$2,500 **</p> <p>(5 Cents Per Watt)</p> <p>DONATION PER COMMERCIAL OR NON-PROFIT SOLAR PROJECT</p>
